

The El Dorado Hills Genealogical Society Presents

Speaker: Marian Kile

Family Stories from Research

May 14, 2019 6:00-7:30PM

**El Dorado Hills Library
7455 Silva Valley Parkway, El Dorado Hills, CA**

Do you have a family story? Don't know where to begin?

Even if we don't have the details of our ancestor's life, we can still develop meaningful stories to capture what they might have seen or done during different times in their lives. Marian will show us where to begin, where to research and how to bring it all together. Marian has written over 200 family stories and self-published them into three books. She will share her insights with you on how to develop stories from research that are meaningful to your family.

This class is suitable for beginner and advanced genealogy researchers. Handouts and time for Q and A will be provided.

The El Dorado Hills Genealogical Society invites the public to attend the free presentation in the Community Room at the EDH Library.
